

Oceanography/ Ocean floor

watch video and make a poster of the ocean floor and zones

<https://www.brainpop.com/science/earthsystem/oceanfloor/>

Watch the youtube video below and write a rap, song, or poem about the Ocean floor

<https://www.youtube.com/watch?v=clRxm4vuaD0>

A lot of living things call
the shelf their habitat.
Sunlight and shallow
water are responsible
for that!

[Ocean Floor Rap](#)

This rhyming rap song will help teach the parts of the ocean floor from the shore out. Feel free to like, share, use, and comment!
