

Physical and chemical changes in matter:

<https://www.youtube.com/watch?v=BOr76Zx48QM>

A round braided pie, likely an apple pie, sits on a silver wire cooling rack. The pie has a golden-brown crust with a complex braided pattern. A light blue speech bubble with the text "Physical or chemical?" is overlaid on the top left of the pie.	<p>Physical and Chemical Changes for Kids Classroom Video</p> <p>WOO! It is time to learn about physical and chemical changes in this video for kids of all ages! Learn the differences between physical and chemical changes and how to identify them. Homeschool Pop offers a unique, dynamic learning experience. We strive to have the right balance of silliness and learning to keep students engaged as we look at ...</p> <p>www.youtube.com</p>
